Mr. John Van de Kamp
Station Manager
WDBS
c/o Dartmouth College
Hanover, New Hampshire

Dear John:

Thank you very much for your invitation to WCSR to take over WDBS on the night of Saturday, May 7, 1955. Much as we would enjoy it, I'm afraid we won't be able to. The weekend of May 7th is our last weekend before Reading Period starts, and most of the girls will be studying or will be otherwise occupied.

May we please take a raincheck, perhaps for sometime next fall when we all won't be quite so busy. Thank you again.

Sincerely,

Nancy Godfrey
Station Manager
